

Hello to my wonderful friends and family!!!

First of all . . . Thank you, thank you, thank you for your love, encouragement, financial support, and other gifts during this Discipleship Training School! It is an incredible gift and blessing to be able to take time to step aside and grow in the Lord, and be disciplined and prepared to more fully/effectively live for Christ and "make disciples of all nations."

God has truly opened up the doors wide and poured out blessing and provision for me to be here!!! I am currently \$104 over budget for tuition/outreach costs!!! Thank you!! (This extra will probably be used for visa costs, personal outreach costs, or to help with other students who have not yet received full support.) In addition to providing for tuition/outreach costs, God has provided many other gifts!!! Praise be to our God! Thank you, all for opening your hearts to support and partner with me during this time of training.

I would appreciate prayer for how best to communicate what God is working in my heart through this program . . . It has not been an easy two weeks . . . but it has been good.

I love you and miss you!

I'm headed, right now, to an outreach meeting! I'm going to Thailand for outreach!

With love in Christ,

Naomi
